

For Innovation with Technology

Advanced Innovation Technology (AIT 2025)

January 7-11, 2025 at Mytt Hotel Pattaya, Thailand

The 2st International Conference on Advanced Innovation Technology (AIT2025) organized and hosted by The Korean Innovation Industry Society will be held on January 7-11, 2025, Mytt Hotel Pattaya, in Thailand. AIT 2024 will be the most comprehensive conference focused on the various aspects of advances in Innovation-centered Technology. Our Conference provides a chance for academic and industry professionals to discuss recent progress in the areas of Innovation-centered Technology. The goal of this conference is to bring together the researchers from academia and industry as well as practitioners to share ideas, problems and solutions relating to the multifaceted aspects of the advanced Innovation-centered Technology. Accepted papers will be published by some International Journals (SCOPUS / SCIE indexed) after revision according to the reviewers' comments.

TOPICS

All topics of advanced Innovation-centered Technology and related research works are acceptable
